Cardinal Bauer has been ill for some time and his death was expected. Early in October it was reported that the pope had sent a deathbed blessing to the cardinal. Dr. Bauer became a priest in 1863. He had been archbishop of Olmutz since 1904. He was created a cardinal in December, 1912.

Dress Reformers Were Routed When Fashion Models Were Exhibited.

Berlin, Nov. 26.—A well attended meeting called by women reformers of fashion was held Thursday evening under the patronage of the crown princess. The purpose of the meeting was to appeal to the patriotic women of Germany to cast off French and other foreign fashions and to wear hereafter only a truly German ful and dignified but free from frip-peries. The speakers illustrated the proposed fashions and condemned high proposed fashions and condemned high heeled shoes and pumps, gauzy stock-ings, foreign fabrics and cosmetics. Space had been reserved in the pro-gramme of the evening for an oppo-sition speaker who produced a number of the latest models of gowns which ran counter to most of the patriotic theories the reformers had expounded. The dismayed reformers soon found that a majority of the audience had that a majority of the audience had deserted them and were applauding enthusiastically each new gown and drowning out the disapproval of the little minority who favored the truly

SECRETARY M'ADOO'S INTERNAL TAX PLAN

Washington, Nov. 26.—Secretary Mc-Adoo's plan for raising by internal tax-es the additional revenue needed by cover the initial expenses of army and navy incrases, was endorsed today by Senator Simmons of North Carolina, chairman of the finance committee, who had just reached Washington to prepare for consideration of revenue problems which his committee must aid in solving

While Senator Simmons was an-nouncing his views, Senator Smoot of Utah, one of the leading republican members of the finance committee, gave out a statement attacking Secretary McAdoo's general financial statement issued yesterday. The Utah senator asserted that all of the secretary's revenue estimates were too high and those for expenditures too low and that misleading bookkeeping changes had been resorted to. Differing from his fellow North Car-olinian, Representative Kitchin, new

majority leader of the house-Senator Simmons announced himself as an earnest advocate of administration defense and merchant marine legislation and expressed the conviction that the present income tax exemption was far too high and that gasoline and automobiles should share the burden of the

PROPOSITION OF MILITARY TRAINING IN SCHOOLS

Discussed by Educators of States and Maryland.

Philadelphia, Nov. 26.—Nearly all the speakers at the first session here today of the twenty-ninth annual meeting of the Association of Colleges and Preparatory Schools in the Middle States and Maryland criticised the proposition that military training by proposition that military training be taught in the schools Dr. Isaac Sharp-less, president of Haverford college, praised the man or the youth who, "if not too proud to fight, is too brave to fight." Speakers said that drilling and mil-

itary training of students in public schools and colleges would be illogical, unwarranted, impractical and harmful intrusion on a more exalted and more practical use and purpose. Those who addressed the meeting included Dr. John Finley, president of New York university; Edwin E. Sparks, president Pennsylvania State college and Vice Provost Penniman, University of Pennsylvania, Dr. Thomas Fell, president of St. John's college, Annapolis, was the only speaker to favor the military training plan.
